### **CONGRATULATIONS TO DON HOOD, EA, ON RECEIVING THE 2010 THURMAN E. ASKEW, EA, MEMORIAL AWARD**

**On September 24, 2010, at NCSEA's fall CPE, David Cohen presented the Thurman E. Askew Enrolled Agent Memorial Award to Don Hood.**

**Don was a relatively new member to NCSEA in 2000 when then-President Sherrie King and then-Vice-President Thurman Askew asked if he would be willing to serve as President. Don agreed, though he did not have great confidence in himself. He spent time learning the history and culture of the fledgling NCSEA and helped to turn it into an association full of activities. He became more involved at the national level and helped lead NCSEA into being a more active affiliate of NAEA through member participation.**

**While President, Don created a more professional format for NCSEA's board meetings. He also opened the organization to the idea of bringing vendors to its continuing education seminars. He continues to be an active member of its Board of Directors and encourages other members to participate in the activities and leadership of NCSEA.**

**In his leadership role, Don possesses a straight-forward vision for the organization and willingly works with others to accomplish its goals. In the sentiments of those who nominated Don for the award, Thurman E. Askew would be very proud of what NCSEA has become with Don Hood's help.**

**NCSEA continues to be grateful for Don's hard work and dedication to the Society.**

**Congratulations, Don Hood, EA.**
